Federal Form: The [federal mail-in voter registration application](#) may be used in Idaho registration drives.

Photocopying Blank Forms: Blank applications may be photocopied and used in voter registration drives.

Handling Applications

Incomplete Applications: Do not fill in any missing information on a registration form unless you have express consent from the applicant.

Photocopying Completed Applications: As a best practice, a voter's full or partial Social Security number and/or driver's license number should not be retained.
